

How to add a recipe:

1. Add Recipe Name (Keep it short)
2. Add Simple and Concise Directions
3. Check recipe Category
4. Add Recipe Creator's Name eg) John Doe
5. Add Your Rating for the Recipe (1-Bad: 5-Best)
6. Add Prep, Cook and Total Time
7. Add Serving Size
8. Add Ingredients list
9. Add Cook Comments
10. Add a Feature Image (Mandatory)
 - a. Image must be on a white plate/bowl with a minimal/blurred background
 - b. The recipe will not be approved if a quality 'Feature Image' is not included

The screenshot shows the 'Add New Recipe' form in a WordPress dashboard. The form is divided into several sections, each with a blue callout box providing instructions:

- Add Recipe Name:** Points to the 'Add Recipe Name' text input field.
- Add Simple and Concise Directions:** Points to the text area containing numbered instructions: '1. Add Simple and Concise Directions', '2. Use a number format for your directions', and '3. DO NOT write paragraphs/essays'.
- Add Recipe Creator's Name:** Points to the 'Recipe Creator' text input field with the placeholder 'ADD YOUR Name'.
- Add Recipe Rating. 5 is the Best:** Points to the 'Rating' dropdown menu, which is currently set to '1'.
- Add Recipe Serving Size:** Points to the 'Servings' text input field with the value '4-6'.
- Add Prep, Cook and Total Time:** Points to the 'Prep Time', 'Cook Time', and 'Total Time' text input fields, which contain '20 Min', '30 Min', and '50 Min' respectively.
- Add Ingredient List: 1 Per Line:** Points to the 'Ingredients List' text area containing: '1 Tomato, Finely Chopped', '2 Cloves of Garlic', '3 Cups Water', and 'Salt to Taste'.
- Submit for Review when ready:** Points to the 'Publish' button in the top right corner.
- Check Recipe Category:** Points to the 'Categories' section on the right, which lists various categories like 'Appelizers', 'Jams', etc.
- Set Feature Image (REQUIRED):** Points to the 'Featured Image' section on the right, which includes a 'Set featured image' link.

The form also includes a 'Recipe Information' section with fields for 'Recipe Creator', 'Rating', 'Servings', 'Prep Time', 'Cook Time', 'Total Time', 'Word From Cook', and 'Ingredients List'. The 'Recipe Images' section at the bottom has four 'Image' fields (Image 2, Image 3, Image 4) with 'Browse' buttons.
